

## Admission Inquiry THIM, Hogeschool voor Fysiotherapie

Are you aiming to apply for a place at THIM, but you do not hold all of the entry requirements? Then this Admission inquiry will help. It provides you with a recommendation on the feasibility of your chosen program.

### *Result*

The recommendation indicates whether your intellectual abilities and personal skills are adequate for pursuing a program at college level (HBO in Dutch). Note that within this recommendation, specific creative abilities are not taken in consideration.

### *Suitable for who?*

This inquiry is intended for students who wish to pursue a bachelor's degree but do not have a qualification (Dutch: HAVO or MBO level 4) on the basis of which they can immediately begin training and/or have the age of 21 years before the 1. September 2022.

This recommendation can be used when you register for the program of your choice. We point out that we give an opinion on the feasibility of the relevant program. The final decision will always be made by the department from HZ University. We would advise you to make timely inquiries whether the program of your choice has specific requirements.

Please note that some programs require their report before a certain date, this is for decentralized selection and / or fixed quota. You can find the specific dates in the information letter of your program.

### *Work method and duration*

- The inquiry begins with a brief interview in which your background and motivation for this inquiry are discussed.
- Immediately after you will enter a diagnostic questionnaire for measuring capacity. This will take place at one of the offices of AOB Compaz (Location Amsterdam, Rotterdam, Eindhoven or Zwolle).
- AOB Compaz tries to make maximum use of online testing.
- After the test, the consultant will give back the results, will inform you with the outcome of the inquiry in a final interview.
- The entire inquiry will take about 4 hours to complete.
- The written report will follow after the final interview.
- The inquiry will finalize within 4 weeks after the first interview.

*Please note: Adjusted working method as a result of the corona crisis in the Netherlands.*

*This admission Inquiry can also be done from home in consultation with the candidate with an image-sound connection: Big Blue Button. Provide the candidate has a good internet connection and a quiet workplace.*

For a good result we would like to advise you to start the inquiry with a good nights rest. Also try to read the instruction of the test items and exercises carefully before starting. We give you a few examples further at this paper.
